

Guardian Group, Inc. is pleased to welcome Mark Loeffler to our Dallas offices.

With a background that includes both company-side Surety work as in-house engineer at a national surety company and 25 plus years in engineering and construction, clients will genuinely appreciate the wealth of real-world experience, sophistication, and insight Mark Loeffler lends to every construction issue. Mark's multi-disciplined expertise includes experience in commercial, industrial, private, public and residential construction.

Mark Loeffler received his Bachelors of Science degree in Mechanical Engineering from Oregon Institute of Technology and is affiliated with numerous professional organizations, including the National Society of Professional Engineers.

If you need assistance or just want to say hello you can reach Mark in our Dallas office at 972-620-0978.
